SENATE BILL

No. 1316

Introduced by Senator Romero

February 19, 2010

~~An act relating to taxation.~~ *An act to amend Section 24941 of, and to add Sections 17053.9, 18036.8, and 23622.9 to, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.*

LEGISLATIVE COUNSEL'S DIGEST

SB 1316, as amended, Romero. ~~Taxation—credits.~~ *Income taxes: property exchanges: investment credits.*

The Personal Income Tax Law and the Corporation Tax Law provide that no gain or loss is recognized on the exchange of property held for productive use in a trade or business or for investment, if that property is exchanged solely for property of a like kind that is to be held either for productive use in a trade or business or for investment.

This bill would exclude from that nonrecognition any exchange of out-of-state real property that is purchased in exchange for real property located in California.

The Personal Income Tax Law and Corporation Tax Law authorize various credits against the taxes imposed by those laws.

This bill would authorize a credit under both those laws, for taxable years beginning on or after January 1, 2010, in a specified amount for investments in low-income communities, as provided. This bill would impose specified duties on the Franchise Tax Board with regard to the application for, and allocation of, the credit.

This bill would take effect immediately as a tax levy.

~~The Personal Income Tax Law and Corporation Tax Law authorize various credits against the taxes imposed by those laws.~~

~~This bill would state the intent of the Legislature to enact legislation to phase out specified tax credits.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.
State-mandated local program: no.
